## Background Information

*One of the leading causes of delays when processing an application is the failure of the applicant to provide requested documentation on any criminal history, charge history (including traffic charges), arrest record or court ruling, to include federal, tribal, district, and municipal courts. Please ensure that certified copies of any court document, or orders, are included regardless of the case outcome. Discovery that an applicant has submitted an application without fully disclosing their criminal history could result in, at a minimum, the immediate denial of the license being requested.*

**Routine Uses:** During the processing of this application and for as long thereafter as your fingerprints and associated information/biometrics are retained in NGI, your information may be disclosed pursuant to your consent, and may be disclosed without your consent as permitted by the Privacy Act of 1974 and all applicable Routine Uses as may be published at any time in the Federal Register, including the Routine Uses for the NGI system and the FBI's Blanket Routine Uses. Routine uses include, but are not limited to, disclosures to: employing, governmental or authorized non-governmental agencies responsible for employment, contracting, licensing, security clearances, and other suitability determinations; local, state, tribal, or federal law enforcement agencies; criminal justice agencies; and agencies responsible for national security or public safety.

### Applicant Record Challenge
